## Summary

I am a **BE COMPUTER SCIENCE FINAL YEAR** student of Savitribai Phule Pune University and an intermediate level **COMPUTER PROGRAMMER AND WEB DEVELOPER**.

My field of expertise are **COMPUTER PROGRAMMING, DATABASE MANAGEMENT** and **FRONT END-WEB DEVELOPMENT**.

I am proficient in C, C++ programming languages, SQL and HTML. I also have knowledge of Java and Python languages too. I am also proficient in Data Structures & Algorithms and an active participant of coding contests on platforms like Codechef and Hackerrank.

I have a strong knowledge of Object Oriented Programming concepts and I am a competitive programming enthusiast.

I am consistently commended for my programming abilities, grasp of multiple technologies, **MULTITASKING ABILITIES** and **ATTENTION TO DETAIL**. I am motivated and **ENTHUSIASTIC LEARNER** and always look forward for any new and **INNOVATIVE** project to work on.

## Skills

- |          |                         |
|----------|-------------------------|
| • GitHub | • HTML                  |
| • CSS    | • C++                   |
| • SQL    | • JAVA                  |
| • Mysql  | • Google Cloud Platform |
| • Git    | • Android               |

---

## Projects

- Android App Development-Food store app-Store to Door [Java, Firebase]
- Android App Development-Online Book Store [Java, Firebase] (Individual)
- Portfolio Website [Html, Css, Javascript, hosting on Github] (Individual)
- Currently working on COVID -Mask Detection, social distancing, temperature detection project

---

## Volunteer Experience

### Cloud Computing Core team member

Google Developer Students Club • PUNE, MAHARASHTRA

09/2020 - 07/2021

Worked in a team to organise events like seminars and webinar on Google Cloud Platform and to explain juniors the interface and working of GCP and much more.

### Technical Support Team Member

INDO UNIVERSAL COLLABORATION FOR ENGINEERING EDUCATION (IUCEE) AISSMS COE • PUNE, MAHARASHTRA

12/2020 - Present

Worked as a part of IUCEE Students Chapter website development team for AISSMS COE to develop a responsive and dynamic website.

---

## Education

### Bachelor Of Engineering (BE) in Computer Engineering

AISSMS COLLEGE OF ENGINEERING • PUNE, MAHARASHTRA

- Overall GPA (FE, SE, TE) = 8.9
- Learned about the basics of Computer Science. Gained proficiency in basic programming languages like C/C++ programming and python.
- Explored various areas of computer science like Software Design & Development, Hardware Design, Computer networks, Operating Systems, Web development etc.
- Started competitive programming
- Currently exploring various technologies in Artificial Intelligence, Data Science domain and learning AndroidApp development.

### Physics, Chemistry, Maths (PCM) with Computer Science (12th)

ARMY PUBLIC SCHOOL, KALUCHAK • JAMMU, JAMMU AND KASHMIR

05/2018

- Passed with 85.2% [Mathematics-95%]
- Did project on Library Management System in C++ with interactive computer graphics
- Discovered my passion in Computer Science and Mathematics

### English, Hindi, Maths, Science, Social Science (10th)

ARMY PUBLIC SCHOOL, JODHPUR • JODHPUR, RAJASTHAN

05/2016

- Passed with distinction [10 CGPA]
- Developed my fascination towards HTML and front end web development

---

## Languages

- English
- Marathi (Marāṭhī)
- Hindi

---

## Interests and Hobbies

- Playing chess
- Listening to unique and interesting music videos
